

COVID – 19 Clubhouse Re-Opening Details

We will be re-opening our Clubhouse on a part time basis from Friday 24th July following the Closure of our facilities in March due to the COVID-19 Pandemic. Please see below details on the re-opening of the Clubhouse.

- Clubhouse will be open Friday to Sunday from 8am – 9pm. Access to the locker rooms, toilets etc. will only be available during these times. We will be continually assessing this and will make changes to this and if there are any changes to be made we will notify members by email.
- Members and visitors must not visit the Course or Clubhouse if they are experiencing any COVID-19 symptoms.
- There will be a one way system in operation throughout the Clubhouse which will be clearly marked. All members, visitors & guests must follow the one way system.
- All internal & external doors which will be in operation when the Clubhouse is open will be required to be wedged open so that touching of door handles will not be required.
- There will be a variety of hand sanitising stations located throughout the Clubhouse. Members and Visitors must sanitise their hands on entering and leaving the Clubhouse.
- There will be a one way system in place in the bar & lounge which will be clearly marked. All members, visitors & guests must follow the one way system.
- All drink orders are to be placed at the bar through the bar staff. Once you have been served you must then go to one of the seats provided. Standing at the bar after you have received your order will not be allowed. Catering staff will take your order for food once you are seated.
- Customers are encouraged to pay either by credit/debit card contactless or by using their membership card. If you are using your membership card to pay you will not be required to hand the card to the bar staff but you will require to give them your membership card number which is located at the bottom of your membership card.
- All payments for food orders for the time being will be cash only.
- The capacity of the lounge will be a maximum of 30 people. If all seats are taken then you will not be able to stay in the lounge area.
- All drinks will be served with disposable cups. There will be bins located in the lounge area for customers to dispose of their cups following use.
- Toilets will be available for gents & ladies through the locker rooms. However the gent's toilets beside the disabled toilets will not be in use until further notice. A "One in/One out policy will be in place.
- Please be respectful of social distancing in the Clubhouse where possible.

- Everyone entering the bar & lounge area must record their name and contact details in the sign in book at the Lounge entrance.
- All tables & chairs have been set up for Social Distancing purposes. Please do not move tables or chairs.
